Ian McWhinnie, "The Catcher" at the Sheridan Russell Gallery

IAN McWHINNIE b.1952
Studied Glasgow School of Art 1970-74
"The paintings draw inspiration from moments and incidents observed and developed from circuses, musicians and travels. This is the starting point for a narrative peopled by characters and surroundings that have remained in the memory. The paintings have a contemporary edge without losing the tradition of Scottish figurative painting."
