

Statistics: the Galleries magazine website at www.galleries.co.uk, on average receives over 9,000 unique visits each month (Jan 10 - Nov 11). The current distribution of the printed magazine is always on the masthead page and presently runs at 17,000 copies each month.

The Artsites Pages have featured since early on in the website's inception and in print for more than 15 years and have provided an active interface for Artist's links, text and images to be presented to a stream of visitors. The cost of inclusion at just over a pound a week (inc vat), gives a price and service that a significant number of artists return to year on year.

As an Artist: for £57.60 you will receive 12 monthly insertions in the *Galleries Internet Art Sites'* section and on the Internet *Artlinks* page at www.galleries.co.uk/artlinkx; the insertion can include a brief description of the work. A link will be made from the *Artlinks* page to your home page.

Exchange a link for a free image: Send a 72dpi jpeg with your order, either 100 pixels wide (for portrait) or 100 pixels deep (for landscape). When the link is made from the *Galleries* site, make a link back (to <http://www.galleries.co.uk>), and keep it on your site. The image will then be published with your entry on the 'Artlinks' webpage at no charge. Extra images £14.40.

Studio Groups: Artist sites that are 'sub' sites of artist group sites can only be linked after the parent site group site is listed in *Galleries Internet Art Sites* as a Studio, Artist Group, or under an Artist's Agent. The cost is £57.60 for the principle entry, additional artist's name can be added at £14.40 per year. If this principal entry is stopped the sub entries will also be stopped unless the balance in cost is paid for each individual entry. Refunds will not otherwise be given.

Trading studio groups or individuals acting as agents can only list after buying a full standard listing in Galleries as a Gallery/Business. Please ask for a separate rate card.

Notes You will not receive a copy of the magazine unless you also have a subscription. At the end of your series a renewal note will be sent. Indexing will be in order of first name. Names may not be manipulated to affect this order. The editor reserves the right to change the order of indexing and entries may be edited to fit the directory if necessary. At the editor's discretion entries may be refused. Publication will follow payment. Invoicing (receipted) usually follows publication. Standard terms and conditions apply: see <http://www.galleries.co.uk/rates> All prices include vat @20% where applicable.

Artist's Magazine Subscription + Internet Entry Discount Price: £67.20 (normally £85.60). In buying an entry on *Galleries Internet Art Sites* and a postal magazine subscription at the same time you benefit from a discount on the *Art Sites* entry of £14.40 and £4.00 on a subscription.
