Peter Joyce - Crossing by the Port

Samuel Robson Fine Art is proud to announce the forthcoming Exhibition of new works by one of England's leading artists, Peter Joyce. This Exhibition will take place from 15th May - 19th June. Although born in Dorset and originally celebrated for his pictures of the south west, Joyce now lives and works in France.. Following highly successful shows in London, New York and France, Peter Joyce has created a series of new works which continue to celebrate his environment, which is now that of his home in Bouin in the Pays De La Loire region of France.
