

The NEWLYN SCHOOL GALLERY offers a wide variety of Newlyn School, St Ives and Lamorna group fine art paintings. We have 30 years expertise and guarantee the authenticity of all our works.

We have sold to museums and institutions worldwide, and we are currently offering works of high quality for investment, by leading artists like Charles Napier Hemy, Stanhope A Forbes, Elizabeth A Forbes, Samuel John Lamorna Birch, H S Tuke, William Banks Fortescue, etc. After 22 years in London and returning to Cornwall, we are now based in Penzance, near the birthplace of the Newlyn School Group.

Two of our major Newlyn School works, an oil painting by STANHOPE FORBES, 1894, *THE QUARRY TEAM* and an oil painting by CHARLES NAPIER HEMY, *LAND'S END CRABBERS*, will be exhibited early 2013 in an exhibition in West-Central London. Details will be announced nearer the time.

We are always interested in buying good fine art paintings.
