■ Set on the slopes of the Cotswold escarpment, Gallery Pangolin is one of the few galleries to specialise in sculpture and related works on paper. Over the past twenty years the gallery has established a reputation for works of quality and excellence by both Modern and contemporary artists.

■ Sculpture and works on paper exploring and celebrating the bull, a formidable beast with mythological significance.

■ The centrepiece of the show is a powerful series of life-size drawings by new gallery artist Marcus James, taken from studies of Iberian bulls in corrals and from bullfights in Spain and Southern France.

■ The exhibition also includes a broad range of sculptures, from Nick Bibby's detailed portrait of pedigree champion 'Rosemead Jeronny' to Deborah van der Beek's expressive studies of bulls in action, 'Glaring Bull' and 'Charging Bull', and Lynn Chadwick's archetypal 'Beast IX'.
