Waterlilies

Studio Sienko Gallery

2nd May – 30th June 2019

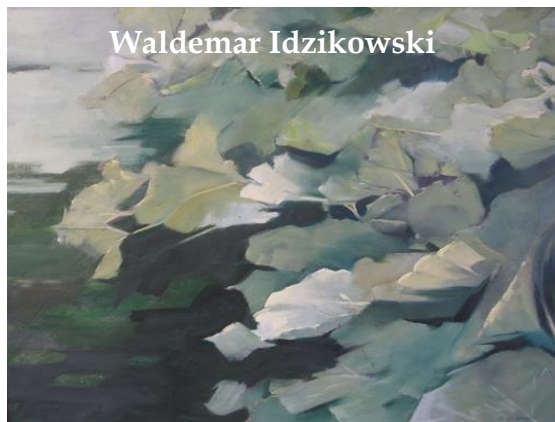

**Four painters from plein air
Zielonka Forest**

Four artists from Poznan who are working en plein airs near Poznan for many years, exhibiting together. These works resulted from a deep fascination with nature and numerous studies in Zielonka Forest National Reserve, with shallow lakes allowing a diversity of plants and wildlife. The artists demonstrate true observation of light and forms without being aesthetically minded only.
