You and your guests are warmly invited to an exclusive drinks reception at 'Jamie Primrose: From Dawn to Dusk' to celebrate the artist's latest exhibition at The Arndean Gallery, in Cork Street, London on Wednesday 28th November 2007, 6.00pm – 9.30pm.

## From Dawn to Dusk

Contemporary Scottish artist Jamie Primrose is one of Scotland's most talented landscape, seascape and cityscape artists. Following many sell-out exhibitions in Edinburgh, he presents a stunning showcase exhibition of original oils and Indian inks at The Arndean Gallery in London's prestigious Cork Street. This collection leads us on an atmospheric journey to some of Europe's most captivating cities, including London, Edinburgh and Venice and also includes some of the artist's finest Scottish landscapes and seascapes.

In his European cityscapes, Jamie captures the unique light, colour and atmosphere, depicting the diverse architecture and landscapes of each beautiful city: from spectacular sunsets over the Scottish capital, to the early morning ripples and the gleaming twilight reflections shimmering on the River Thames and his romantic Venetian waterways. Jamie's Scottish landscapes and seascapes

also exude an atmospheric and ethereal quality: from vivid colourful seascapes and iridescent beaches to darker lochs and landscapes at dawn and dusk from the East and West coasts of Scotland. These new paintings can now be viewed online at [www.jamieprimrose.com](http://www.jamieprimrose.com)
