## Press Release

## Odette Gilbert Fine Art - Now On-Line

I am delighted to announce the launch of my on-line gallery at [www.odettefineart.com](http://www.odettefineart.com)

Specialising in contemporary and modern international fine art this on-line gallery seeks to provide existing clients and new visitors with the same quixotic, exciting and quality fine art selling exhibitions that were the hallmark of my Cork Street gallery in the 1980's and 1990's.

Alongside the on-line gallery's permanent selection of works by established artists I plan to mount bi-monthly shows by guest artists from around the world.

For the launch I am delighted to have two exceptional shows running simultaneously by two artists I have worked with on many previous occasions and whose work I admire.

The first of 12 works by John D Edwards coincides with the launch of his marvellous new book; *How Cancer Saved My Life*. John, whose unique, vibrant and quirky visual language has received international recognition provides a pleasing continuation with our collaboration at the Cork Street gallery and the new on-line presence.

The second of 13 paintings and drawings by the highly regarded South African born Ilona Suschitzky grew from my curatorial work with the Trafalgar Hilton hotel gallery and is another chance to view these evocative works by an exceptional talent.

With a bi-monthly newsletter that will announce forthcoming on-line exhibitions and recent acquisitions by the gallery I hope to provide an exciting, vibrant, and above all, discerning, fine art presence on the web.

For further background information on the gallery, John D Edwards or Ilona Suschitzky go to [www.odettefineart.com](http://www.odettefineart.com) or email me at [odettefineart@gmail.com](mailto:odettefineart@gmail.com). We can also provide top quality digital images from both exhibitions.
