'Other World'

9th February to 2nd March at

TheARThouse Gallery

22 Post Office Road, The Square, Bournemouth BH1 1BA

Solo Exhibition of new works by:-

Stephen Bishop

"Stephen Bishop's new series of paintings 'Other World' reflect a sense of life flowing backwards and forwards; of echoes reverberating across time. The figures dissolve and leave a trace, like a fossil record. The future looking back and the past looking forwards; both perhaps catching a glimpse of the other."
