The Fulham Society of Artists was founded in 1952 as a not-for-profit organisation ‘*to encourage the practice and exhibition of the work of local artists in association and to attract and interest the public in the visual arts.*’ Membership is open to anyone over the age of eighteen living, working or studying in the Borough of Hammersmith and Fulham and neighbouring boroughs. In 2003 the society combined with a local group of potters, giving us a new name, ‘**The Society of Fulham Artists and Potters**’ (SoFAP).

We create an opportunity for artists who practise in all media to develop, refresh, practise, exhibit and sell their work in a supportive and enthusiastic community. Run by a committee and volunteers, we hold two large exhibitions a year at the Fulham Library, take part in various local markets, run workshops and provide guided outdoor painting (*Plein Air*) days.

The exhibition and sale is a great way for the community, local businesses, family and friends to come and view our artworks – and to buy them. As members of Own Art, buyers have access to an interest-free loan to enable them to buy artworks in an affordable manner. Lots to see and enjoy: we hope to see familiar and new faces.
