Fidra Fine Art Relocates to Gullane

After 6 years trading from our home on Dirleton Avenue in North Berwick, Fidra Fine Art are relocating the gallery to the property on Main Street, Gullane which was previously occupied by Gullane Art Gallery.

We have built up a comprehensive list of some of the most notable artists working in Scotland today and feel the time is right to move into a more traditional high street space. We look forward to continuing the good work that Roy and Gail McGregor have done in establishing the gallery in Gullane whilst introducing new artists and our own ideas.

We would like to thank all our customers and artists who have supported us over the years in North Berwick and hope that you will still make the short trip along to Gullane to see us.

We are aiming to open the doors on Saturday 26th May but please keep an eye on our website for updates. Our opening exhibition will feature new work by a variety of our existing artists as well as one or two historical pieces with local interest.

Until then we are happy to arrange appointments at the gallery in North Berwick to view any of the available artworks on our website.

New address – 7-8 Stanley Road, Gullane, East Lothian EH31 2AD.
