THE SCOTTISH GALLERY

Perpetua Pope

NEW PAINTINGS 2 July - 2 August 2008

Two years ago we celebrated Perpetua Pope's 90th birthday with an exhibition of 45 new oils and watercolours. The show was a remarkable and thoroughly deserved triumph, with all but one work finding a happy buyer. The result was testament to the quality of the work, certainly, but also spoke eloquently of the affection with which this evergreen artist is regarded. It was also a telling vindication of the artist's self critical faculties as it was the one picture she swithered long and hard over as regards its inclusion in the exhibition!

We are delighted to be holding within, our Summer Exhibiton, another show by this evergreen and perennially popular artist. Painting as well as ever, Perpetua has produced a superb new group of seascapes, landscapes and still life from some of her familiar territories ranging from East Lothian to Barra and Glenlyon to Islay.
