or subject matter; "good of its kind" (said in the nicest sense!) might be a phrase to use.

Artists included range from senior established figures to more recent additions to gallery. The show will feature oils, watercolours and drawings and include works by William Baillie, Robbie Bushe, William Crozier, Stephanie Dees, George Devlin, Alexander Fraser, John Houston, Alison McGill, Barry McGlashan, Jennifer McRae, James Morrison, Ann Oram, Barbara Rae and many others. Something for everyone, we hope.
